

COPY EDITING CONTACTS

As a measure of quality support for papers, reflexive documentation and all other types of texts, Zentrum Fokus Forschung provides a list of contacts with English-speaking proofreaders (native speakers). They are professional copy editors with whom Zentrum Fokus Forschung has already been able to work successfully, either directly or within the collegium. Students are free to choose from the contacts provided and are expected to commission the copy editors themselves.

For further information and mail contacts please refer to Wera HIPPESROITHER
(wera.hippesroither@uni-ak.ac.at).
